DICK ANDERSON, RIGHT, president of Hordville's First State Bank, was honored Dec. 1 to commemorate his 35 years with the bank. With him above is Harold Blase, one of many people in the community who dropped by during the day to offer congratulations. It started as a surprise for Anderson by the employees and ended up with a lot of people coming by during the day. Cake and coffee was served. News-Register Photo by Merna Yoder.
